

ICAEEdu 2018

International Conference on Alive Engineering Education

24-29 June 2018, Puerto Iguazú, Misiones, Argentina

Subject: Video Presentation Guidelines

Dear **Author**,

Thank you for your interest in International Conference on Alive Engineering Education (ICAEEdu) in Puerto Iguazú, Misiones, Argentina. Your paper **<Paper name>** can be reviewed and accepted for **Video Presentation** at the conference.

Please follow the following instructions for the video production:

1. The total duration of the video should not exceed eight minutes, including the title and the credits.
2. The video should include a short presentation of the paper. Please do not use music in the video presentation.
3. The title and the narration of the video must be in English.
4. MPEG-2 (also known as H.262) or the H.264 codec can be used as video file formats.
5. Recommended resolution: High Definition (HD), 1.280 X 720 pixels.
6. Videos should not promote any company or logo, acknowledge sponsorship or promote commercial products.

Please send us the video until **8 June 2018**.

Best regards,

Secretariat
